Quantitative Ratings

Evaluation item	Min	Max	Mean	n
Trainer was effective	1.00	5.00	4.71	41
High consistency between content and objectives	1.00	5.00	4.68	41
Will incorporate knowledge & skills into daily work	1.00	5.00	4.56	41
Satisfied with practical knowledge & skills presented	1.00	5.00	4.66	41
Teaching methods appropriate for intended audience	1.00	5.00	4.66	41
Teaching methods appropriate for subject matter	1.00	5.00	4.68	41

Scale: 1–5. n = non-blank responses per item.

2 responses in this session are flagged by a consistency check (ratings contradict the recommend score); all responses remain included in every figure above.

Likelihood to Recommend

"How likely are you to recommend this course to a friend or colleague?" (0–10). n = 38; raw range 7–10. NPS = % Promoters - % Detractors.

Open-Response Comments

Responses are transcribed verbatim and numbered in submission order.

What part of the training was the most helpful?

41 responses

1	The reflecting & sharing.
2	I liked the activities
3	Great training
4	Specific praise examples
5	Stay conversations

- 6 Time to implement ideas with table mates
- 7 Labeled praise reminder
- 8 group discussion
- 9 Information was very clear and Alex clearly demonstrated a deep knowledge of the subject
- 10 Regulation and co regulation
- 11 Small things often
- 12 Asking “am I doing what I expect others to do”
- 13 Looks at signs of STS and just having some self reflection
- 14 Belonging activity
- 15 I enjoyed the interactive parts. They helped demonstrate the concepts presented and gave us an opportunity to make meaning.
- 16 Gathered ideas for the upcoming school year
- 17 Most
- 18 Processing in groups
- 19 This was super helpful to reflect on our current stress level and help me think through what healthy patterns I want to focus on this year.
- 20 Reflection on Belonging.
- 21 Signs and Symptoms of STS
- 22 The real life scenarios and comparisons really hit home
- 23 Alex is always an incredible teacher!
I loved the whole presentation!
- 24 Exercises/examples
- 25 The sharing
- 26 Group work
- 27 The group activities
- 28 .
- 29 Small things often
- 30 Stay conversations.
- 31 The table discussions and part about labeled praise. I enjoy knowing the research behind things
- 32 Concise and on topic
- 33 What I felt was most helpful was the quick breakout sessions where we communicate about what we enjoyed about our job and also dislikes.
- 34 Concrete things to talk about with colleagues.
- 35 Stay interview
- 36 The practical applications were very helpful and manageable to start implementing immediately.

- 37 Presenter is relatable. I am taking away some specific ideas to use with staff
- 38 Hand out
- 39 Practical conversations built in, humor built in
- 40 I appreciated the belonging piece and considering stay interview questions.
- 41 Recognizing how grateful I am that I get to do this work with these people.
